

Good morning,

I am forwarding the information I received from Officer Jason Doll regarding your request for information on the FLOCK cameras.

First, I apologize for the oversight. I believe the information regarding the camera located on Maury Road has been included in the response to your initial request. I have attached the requested information for that camera.

Regarding the other camera locations, Officer Doll advised that those cameras are located on PennDOT-owned property, and the agreements for their use are between PennDOT and FLOCK. Franklin Township was not involved in those communications or agreements. You may wish to contact FLOCK directly to request copies of those agreements.

The camera locations provided by Officer Doll are:

- Maury Road and Long Run Road
- Two cameras on either side of SR 209 in the area of the Turnpike
- SR 248 West at the intersection of SR 209
- SR 443 at the entrance to the McCall Bridge
- Canal Street and Main Road

I hope this information is helpful in completing your request.

Thank you,

Cady Guy
Secretary-Treasurer
Franklin Township
